Office of Student Life tulaW Building 1st Floor

Get ready to supercharge your college experience! We believe that involved students are the happiest and most successful ones. At Grays Harbor College, you can dive into a sea of exciting opportunities, all thanks to the Services and Activities (S&A) fee. We've got events, trips, lectures, intramurals, concerts, clubs, multicultural programs, leadership and volunteer opportunities, and more. Your education isn't just in the classroom; it's everywhere you want it to be!

Associated Student Government of Grays Harbor College

The Associated Students of Grays Harbor College (ASGHC), also known as the student government, works as a bridge between the students and the college administration. We serve on college committees, manage and allocate student fees, advocate for students and the student voice, and work together to ensure students are represented to the college. We set policy regarding student activities, oversee all clubs on campus, and provide programming and events for students.

The Associated Student Government of Grays Harbor College has two monthly meetings; all are welcome to attend. Meetings are currently held every other Tuesday starting October 1st at 4:00 PM in the Student Life Spaces - 3000 tulalW Building first floor. All meetings will also available be via Zoom. Whether you are interested in clubs, how college administration works, or just have a question, student government is here to serve. Want to get involved? Talk to us about becoming an ASGHC senator!

For Parents

While it's important to ensure a healthy balance between gaming and other aspects of life, Esports can offer significant benefits. As a parent, understanding and supporting your student's passion for Esports can help them develop valuable skills, find potential career paths, and lead a balanced lifestyle.
